

ABAC Meeting Overview

ABAC III Overview

The Kyoto meeting will be the third meeting under the leadership of ABAC Chair, Wishnu Wardhana. Wardhana and his staff support team are somewhat new to ABAC (he was appointed to ABAC in late 2010, but has not attended meetings on a regular basis). Despite this, since being appointed to serve as ABAC Chair by President Yudhoyono, he has dedicated significant time and resources towards fulfilling his responsibilities. In addition to serving as ABAC Chair, he is serving as Chairman of the 2013 APEC CEO Summit.

Indonesia's theme for 2013 is: *Partnership, Resilience and Building Bridges to Growth*. The four priority areas (below) have been carried over from 2011 and 2012.

- Deepening regional economic integration;
- Promoting infrastructure and sustainable development;
- Fostering SMME development & entrepreneurship; and
- Promoting the development and integration of financial markets.

ABAC Indonesia has kept ABAC's working group structure unchanged except for the incorporation of the Infrastructure Development Working Group into the Sustainable Development Working Group. The IDWG was established by Russia in 2012 and chaired by ABAC USA.

There will be six side events held during the Kyoto meeting:
