

ABAC II Overview

The Kuala Lumpur meeting will be the second meeting under the leadership of ABAC Chair, Ziyavudin Magomedov. Russia's theme for 2012, *From Aspirations to Reality*, reflects ABAC Russia's desire to focus on concrete deliverables this year. Specifically, ABAC Russia will continue to strive to advance work on Eco-Cities and technology transfer. Both of these issues were the focus of extensive discussions last year, with the latter being approached in a manner that tended to divide developed and developing economies. ABAC USA will continue to ensure that ABAC is discussing voluntary and market-driven mechanisms for technology transfer.
