ABAC IV and 2013 CEO Summit Overview

ABAC IV

During the fourth ABAC meeting of 2013, ABAC will discuss and finalize its themes for the ABAC Dialogue with Leaders and consider a work plan and priorities for the coming year. There will be an opportunity to capture the themes of the meeting in a press release that will be finalized at the closing plenary.

This will be the last ABAC meeting under the leadership of ABAC Indonesia. ABAC China will take over the leadership of ABAC at the end of this meeting. In this role ABAC China will propose a work plan for 2014 along with administrative and structural changes. ABAC China will seek the endorsement of the work plan and changes from all members of the Council at this meeting. Based on initial information NCAPEC has received it appears that China will eliminate the Action Planning and Advocacy Working Group and replace it with a new Infrastructure and Connectivity Working Group.

The APAWG meeting will follow up on the ABAC efficiency and effectiveness conversation that was initially broached at ABAC III in Kyoto. Anna Buduls, ABAC Australia, with input from others, has drafted a proposed guideline that would strive to instill discipline and focus in the ABAC meetings, particularly at the working group level.

Venues

The ABAC meeting will be held at the Aryana Resort and Spa. ABAC members and staffers will stay at the Aryana and the adjacent hotel, the Rimba, until October 5. The CEO Summit will be held at the Bali International Convention Center. (For the CEO Summit ABAC USA members will be at the Mulia and NCAPEC staffers will be staying at the Nikko, except for Alex who will be at the Conrad.)

Meeting attendees

71 ABAC members and alternates will be attending the meeting along with roughly 200 staffers and invited guests. The ABAC meeting is not open to the press or general public, though social events may include the participation of local business people or dignitaries. U.S. Secretary of Commerce Penny Pritzker will attend the ABAC Gala Dinner on October 4.
